

OSTERIA *il* COCCIA

ETTALONG BEACH

Welcome to Osteria Il Coccia, our wine list has been thoughtfully curated by Luca Scuri and Alexandra Coccia, to match the unique and exquisite cuisine of her husband, Chef Nico.

Our wines are hand selected with quality and value for money in mind. Many of the producers use organic and sustainable farming practices and when possible, use minimum intervention wine making techniques.

A large selection of our wines come from Italy and France, with some gems from Australia and New Zealand. What they all have in common are fragrancy, energy and deliciousness.

Finally, the wine list has been arranged from light, medium and full bodied in a progressive 'crescendo' to help you choose the perfect accompaniment to your food experience with us.

We hope you enjoy our wines as much as we did curating this very special list.

Salute!
